

## Quarantine Record Sheet for Incoming Conventional Livestock

(e.g. orchard winter grazing, farms grazing stock, farms purchasing stock)

Name .....

Bio-Gro # .....

Complete the following sections for all incoming stock brought onto the property.

The same form can be used each year. Use separate lines if the form refers to separate properties.

**NOTE: All stock sourced from uncertified farms or treated with prohibited substances must be quarantined for a minimum of 48 hours.**

**NOTE: Where blood and bone has been used, all grazing is prohibited for 6 months.**

Date stock entered property	Class of Livestock	Stock Numbers	Quarantine area used (specify area, or name of other organic property)	Date into quarantine area (n/a if organic or direct from another organic property)	Date out of quarantine area	Date left property	<b><u>CONFIRMATION:</u></b> Stock owner or vendor – name, signature, & phone number
